

Cordillera Golf Club Inquiry Guidelines

Cordillera Golf Club's announcement that has filed for protection under Chapter 11 on June 26 will result in a larger-than-usual number of inquiries. These questions will come from the media, past and future guests, valley homeowners, suppliers, even other employees and friends.

How should you respond to these questions? In certain instances, you may be able to answer the questions yourself. However, if you are unsure of how to respond, you should refer the caller to the appropriate expert for the particular area in question.

By following the guidelines below, you will help to assure that accurate, consistent and timely information is provided to those who need it.

If a television camera crew or newspaper photographer asks permission to film in your facility, politely ask that they call Pat Peeples at Peeples Ink PR: 970.845.8525. The only filming we cannot control is that which occurs off our property, on the sidewalk, or on a public street.

Thank you for your cooperation.
